

So VERMONT

CAMPAIGN LAUNCH

What are you doing after work?

You can breathe here. Think about that.

A daily dose of rich outdoor activities becomes a natural part of your life. Incredible vistas are right outside your window. Enjoying healthy lifestyles isn't a vacation thing, it's a real thing. And snow sports, organic foods, and fall foliage are just the beginnings.

There's biking, outdoor fitness, fresh foods, and golf at your fingertips. Miles of mountain trails for exploring. As a So. Vermont local, you'll come to know the best spring-fed ponds for hot July days. Secret fishing holes where rainbows abound. And the best area mountains to hit when the powder's fresh.

"Rural lifestyle plus this **unbelievable mix** of people and things going on. I left city life and never looked back – we eat better food, see more music, spend more time outdoors and less time in traffic."

Zirwat, Community Development Director

FOOD & BEVERAGE PRODUCTION & HOSPITALITY

It's no secret that Vermont is a great vacation destination. If you enjoy beautiful mountain vistas and skiing, quaint villages and farms, weathered barns and covered bridges, you won't be disappointed. Local food, arts and culture, and rural, small town life bring back seasonal visitors and homeowners year after year.

Alongside the scenery and hospitality is another Vermont where people enjoy this quality of life year round while building careers. From manufacturing to family farms, medical centers to hospitality, traditional banks to tech-based startups, Southern Vermont's growing employers need talented people to join their teams.

Don't let the rural character and small scale fool you. Southern Vermont has it all. The region's arts, educational and recreational offerings are world class, and our companies are connected to the world through trade and technology.

EMPLOYMENT OPPORTUNITIES

Stevens & Associates is always interested in talented professionals who value historic preservation, downtown revitalization and understand the necessity of economic growth for our communities. If you would like to work with a team of architects, engineers, designers, and developers, who contribute to projects that integrate traditional architecture and urban design, please visit S&A's [Values & Activities](#) to learn more about our team.

Our offices are in downtown Brattleboro, Vermont, located at the intersection of Vermont, New Hampshire, and Massachusetts, and provide services to the tri-state area. Our studios overlook Main Street and the Connecticut River with easy access to shopping, restaurants, a vibrant arts & entertainment community, local breweries, as well as outdoor activities including kayaking, canoeing, hiking, and skiing at nearby

Consider moving to Southern Vermont. Learn more about this great region by visiting:

Careers

Dailey Precast, LLC, an affiliate of Peckham Industries, Inc., headquartered in Shaftsbury, VT specializes in the design and manufacturing of quality precast/prestressed concrete products.

We deliver the highest quality materials and custom solutions to thousands of road construction and road maintenance customers throughout New York and New England through its family of companies and affiliates. Our projects at Dailey Precast include parking structures, building exteriors, bridges, sports stadiums and retaining walls throughout Metro New York/New Jersey, Upstate New York and New England.

In 2018, Dailey Precast and its parent company, Peckham Industries, Inc., joined the SoVermont economic development partnership, which promotes the southern Vermont region's diverse employers and job opportunities as well as the region's quality of life, hospitality, and recreational features. We seek to recruit hard-working individuals with a talent for construction/manufacturing work and the innovation and attention to quality that our projects require. We invite prospective employees to come build a thriving life, career, and future with us in a part of Vermont that offers superior access to superb places, people, opportunities and benefits.
